is credited to General Revenues, per house tax only levied therein being credited to Dh funds. The present recommendation is to transfer cart tax from Provincial funds to Dh funds. The cart tax collected during 1903-4 in Nagar when it was a minor municipality is about Rs 32.

In the resolution of the Dh Board now submitted in support of the recommendation it is stated that shop tax has not been abolished. When the tax on houses includes tax on shops & warehouses according to rules the levy of a separate shop tax is opposed to rules & to Govt order quoted therein. ~~It is not clear whether this tax which may be called trade tax is levied in addition to tax on the buildings used for such trade~~

In accordance with an order then issued from this Office the Amildar of Nagar prepared and submitted a list of houses to be taxed, in which he also showed the shops assessing them at the rates of Mohatarfa tax current in that village when it was a Municipality. The list received was approved of (vide this Office no 324 dated 24th September 1904 (Copy enclosed). portion of the house in which shops were located should be remitted.
